

Winter Carnival Snow Sculptures COVID Mitigation Protocols

Steamboat Creates (SC) has the highest concern for our staff, volunteers and sculpting teams. It is with great caution that we offer Winter Carnival Snow Sculptures under the following mitigation protocols. Participants will be advised of the following mitigation protocols. Please communicate any concerns, questions or sickness with the program director, Sylvie Piquet.

Winter Carnival Snow Sculptures, February 9th and 10th, 2022

Separate outside locations: Natural Grocers over-flow lot, Into the West parking lot, Courthouse Lawn, Bob's Conoco lot on Lincoln Ave. in Steamboat Springs, CO 80487

Snow Sculpture Protocols

Participants: 20 teams of 5 people each, student teams have an additional adult chaperon

- Protocols will be communicated to each team captain via email in advance of the program.
- All staff, volunteers and participants must wear masks while participating, February 9th & 10th. Mask wearing and social distancing will be adhered to at all times (exception of distancing for participants within their own team).
- Assigned volunteers will walk around to do 'Mask Mitigation' by reminding participants and other volunteers to wear masks and stay 6-ft away from other teams.
- All teams must stay 6-ft apart from other teams. Number of teams reduce to ensure spacing.
- Hand sanitizer will be provided at each location.
- Pre-packaged food will be distributed to each team by a volunteer/staff with gloved hands.

Exhibiting of COVID-19 Symptoms

Participants and staff must not participate in the program if sick. If a participant/staff is identified as sick with symptoms of COVID-19...

1. The participant identified to be symptomatic will be isolated away from other participants and sent home as soon as possible.
2. All items/surfaces that the participant may have come into contact with will be thoroughly cleaned using a CDC approved solution; wear gloves and a mask while cleaning.
3. Ensure all others are wearing their cloth or disposable masks and staying 6 feet apart from other groups.
4. If more than one participant has symptoms, the executive director will be consulted to make a plan to contact the local health department.
