

The Depot Art Center : Summer Creativity Camps 2023 powered by Steamboat Creates

Dates	Camp	Price	Ages	Description	Session	Studio Location	Teacher
June 6-9	All The World's a Stage	\$265.00	8-14	Embrace your inner confidence! Explore various aspects of acting and theater. We will work together to present mini-plays as an ensemble. From costuming to character development, from improv to rehearsals, from staging to makeup/hair, we will explore what it takes to put on a mini-play!	8:30-4:30	Depot Art Center-Inside	Heidi Hamric
June 5-9	Art Safari	\$165.00	5-7	We will explore animals and their habitats through art projects (making animal art using various mediums), creating art from things we find in nature, nature walks, daily yoga and other activities. We will incorporate plenty of time outside. If it works out to go to the Botanic Park one day and learn about pollinators/draw flowers, I'd like to do that. One year, we had parents pick up and drop off at the park to facilitate this.	8:30am-12 pm	Depot Art Center-Outside	Jessica Berg
June 5-9	Dance Painting	\$165.00	11-13	Students interested in growing further as a Performing Artist, or seeking a deeper understanding of artistic process, can immerse themselves in a combination of visual and performance art. Join, Amanda in "Dance Painting" where we take the expressive qualities of movement and document emotions, feelings, and creativity. Bringing new light, positivity, and joy into the "art room".	1pm-4:30pm	Depot Art Center-Outside	Amanda Bradder
June 12-16	The World of Peter Pan	\$165.00	7-12	Delve into Never Never Land through Dance. Through movement we will explore Pirates, Lost Boys, Tinker Bell, and Mermaids. Create your own costume of your character of choice as you work together to create a movement extravaganza which will be performed for parents and friends at the end of the week.	8:30am-12 pm	Depot Art Center-Inside	Nicole Idzahl
June 12-16	Be Dazzled	\$165.00	8-14	From earrings to necklaces, rings, and more, we will get bedazzled with new jewelry making skills and designs. From new parts and pieces to "upcycling" broken or discarded bits to repurpose and improve, we will work in teams to create unique looks featuring fun themes.	8:30am-12 pm	Depot Art Center-Outside	Heidi Hamric
June 19-23	Art Immersion: African Culture	\$165.00	5-7	Immerse yourself in African Culture with a high energy dance, music, and arts exploration. Learn the Dogon mask dance as you create your own mask to dance in. Learn songs and drumming too! Campers will have a culminating performance on last day for parents and friends.	8:30am-12 pm	Depot Art Center-Inside	Robin Getter
June 19-23	Inked: Screen Printing Adventure	\$165.00	11-13	Explore the screen printing process from start to finish as you learn the ins and outs. From planning and design to the techniques and materials needed, campers will hand print on a provided T- Shirt. They are encouraged to bring anything else they wish to print on. Includes a mid-week field trip to the Ohana studio to see how they create their products.	8:30am-12 pm	Depot Art Center-Outside	Johannah Hildebrand
June 19-23	Animal Adventures	\$165.00	5-7	Come explore and learn fun facts about a different type of animal each day. Create unique pieces of artwork based on each of the animals. Keep active as you also learn songs and play games throughout the week. This will be a fun filled animal adventure!	1pm-4:30pm	Depot Art Center-Inside	Rebecca McNamara

Dates	Camp	Price	Ages	Description	Session	Studio Location	Teacher
June 19-23	Painting for Fitness	\$165.00	8-12	Interested in healthy emotional and physical outlet, with wellness benefits? This class is wonderful for beginning painters and those looking to try a new skill, students can harness their own personal power, and ignite their creativity in the canvas, while getting exercise. Amanda's goal is developing new healthy ways of thinking about art and and self, in addition to providing health wellness techniques through simple movements.	1pm-4:30pm	Depot Art Center-Outside	Amanda Radder
June 26-30	Discover Photography	\$165.00	10-14	Grab your camera (or iPhone) and get ready to explore the great outdoors! Learn the fundamentals of photography including Lightning, Framing, Focus, Depth of Field, and how to apply Filters. We'll also have some fun with Film and Polaroid cameras.	8:30am-12 pm	Depot Art Center-Inside	Grant Alan
June 26-30	Nature as Your Guide	\$165.00	8-13	Using natural objects as your inspiration, materials, and tools, explore the world of art making. Learn how to create beautiful artwork using the patterns and textures found within nature. From creating your own paintbrush to making prints with leaves to building land art to be enjoyed by hikers, we will explore it all! This camp will spend most of time outdoors looking for inspiration, creating, and enjoying the beautiful summer weather.	8:30am-12 pm	Depot Art Center-Outside	Johannah Hildebrand
June 26-30	Excellence in Drawing	\$165.00	11-13	The process of making art that catches the viewer's attention is teaching the body, hand, and eyes how to see, combine, then produce the various elements that make up an art piece. In this camp we will explore the techniques of line, angles, proportion, proximity, beauty, and how to show movement. You will practice making different drawings till you reach what you consider the best, final draft of your idea.	1pm-4:30pm	Depot Art Center-Inside	Gwen Hill
June 26-30	Printmaking 101-Oehme Graphics (morning session)	\$165.00 additional fees required	8-12	The art of printmaking provides endless space for creativity! Students will learn multiple aspects of printmaking from a master printer, including etching, woodblock, linocut, and monotypes. This camp will be held at the Oehme Graphics Studio, where students will learn about the equipment, tools and supplies from an internationally collected master printer at her professional print studio. *\$40 materials fee and a \$30.00 off site facility fee are required.	8:30am-12 pm	OFF SITE-Oehme Graphics	Sue Oehme
June 26-30	Printmaking 101-Oehme Graphics (afternoon session)	\$165.00 additional fees required	8-12	The art of printmaking provides endless space for creativity! Students will learn multiple aspects of printmaking from a master printer, including etching, woodblock, linocut, and monotypes. This camp will be held at the Oehme Graphics Studio, where students will learn about the equipment, tools and supplies from an internationally collected master printer at her professional print studio. *\$40 materials fee and a \$30.00 off site facility fee are required.	1pm-4:30pm	OFF SITE-Oehme Graphics	Sue Oehme
July 10-14	Twisted Metal	\$165.00	11-16	Create a variety of wire sculptures in 2D and 3D as you learn the tips and tricks of working with wire. Merge your creativity with the technical elements used to create mechanical movements and explore how a line can create form as you create your own whimsical pieces.	8:30am-12 pm	Depot Art Center-Inside	Gary Chaffin

Dates	Camp	Price	Ages	Description	Session	Studio Location	Teacher
July 10-14	Tie Dye and Beyond	\$165.00 additional fees required	9-12	Color, Color, Color! Learn a variety of traditional wrapping and dyeing techniques as you create multiple patterns and designs on fabric. Note: Campers are required to bring in at least 1 dyeable piece (either a t-shirt, apron, pants, or sarong). Pieces must be 100% non-treated white cotton. *\$10 materials fee required.	8:30am-12 pm	Depot Art Center-Outside	Tony Urbick
July 10-14	Culture Camp: Pioneering	\$165.00	8-11	Experience the wonders of pioneer life through interactive programs and creativity. While learning about the daily life of local pioneers through primary resources, you will learn and create with a wide variety of hands-on activities including making butter, calligraphy, candle-making, leather working, tin punching, building cabins, pioneer toys and recess games, watercolor instruction, and more. Have fun while learning more about the fascinating history of Routt County, the life of the pioneer families who founded it, and gain an appreciation of your community.	8:30am-12 pm	OFF SITE-Tread of Pioneers	Jonelle Castleberry
July 10-14	Global Art and Dance	\$165.00	5-7	Explore the visual art and dance traditions from a variety of countries around the world. We'll investigate different cultural folktales and how they can be expressed visually and through movement. We'll make origami, drawings, watercolor paintings, and short narrative dance routines in the style of the culture we're exploring.	1pm-4:30pm	Depot Art Center-Inside	Lainey Hartz
July 10-14	Design It Build It	\$165.00	8-10	Do you love building things? Come explore a variety of environments and how to design a building or structure to fit within those environments. Explore rooftop gardens, building into hillsides, and how to design a sustainable building in a variety of habitats. This week is dedicated to designing structures and then building them (on a small scale, of course)!	1pm-4:30pm	Depot Art Center-Outside	Tony Urbick
July 17-21	Wire Twisting Magic	\$165.00	5-7	Wind up your creativity with wire sculpting! Learn a variety of wire working techniques and types of metal sculpture. Students will create smaller works out of wire each day and have the option to create a bigger final project over the last two days of the camp. Explore how to gain inspiration through nature on your daily walks. Collect natural materials and found objects to include in your sculptures.	8:30am-12 pm	Depot Art Center-Inside	Tony Urbick
July 17-21	Trash to Treasure: Upcycled Art	\$165.00	10-13	Learn a variety of ways to transform the ordinary into the extraordinary. Take items that are discarded and find new life for them in your artistic creations. Responsibly source materials to create unique and beautiful artwork using a variety of sculptural techniques.	8:30am-12 pm	Depot Art Center-Outside	Jen Mendez
July 17-21	Imagination Station (afternoon session)	\$165.00	5-7	What are the ways artists create? How does an artist come up with ideas? Why is it important to listen to your inner artist? How does an artist go from a thought to a final product? Here are a few questions that we will investigate as you dive into using your imagination to create a variety of artworks using a variety of media. Explore different worlds each day with hands-on activities and movement. We will dive into all types of subjects and media as you create, move, dance, play, and sing throughout the week.	1pm-4:30pm	Depot Art Center-Inside	Tony Urbick
July 17-21	Through the Lens	\$165.00	12-16	Grab your camera (or iPhone) and get ready to explore the great outdoors! Learn some more advanced concepts in photography related to Lightning, Framing, Focus, Depth of Field, and how to apply Filters. We'll also have some fun with Film and Polaroid cameras.	1pm-4:30pm	Depot Art Center-Outside	Grant Alan

Dates	Camp	Price	Ages	Description	Session	Studio Location	Teacher
July 24-27 (4 day camp)	The Patterns We Weave	\$130.00	9-13	Explore a variety of weaving and natural dyeing techniques as you create beautiful pieces of art with intention. Practice artistic intention that uses better, healthier options for the earth and ourselves. Also, explore the rich history of weaving as an ancient primitive skill from all traditions around the world & it's importance in our world today.	8:30am-12 pm	Depot Art Center-Inside	Jillian Thomlinson
July 24-27 (4 day camp)	Imagination Station (morning session)	\$130.00	5-7	What are the ways artists create? How does an artist come up with ideas? Why is it important to listen to your inner artist? How does an artist go from a thought to a final product? Here are a few questions that we will investigate as you dive into using your imagination to create a variety of artworks using a variety of media. Explore different worlds each day with hands-on activities and movement. We will dive into all types of subjects and media as you create, move, dance, play, and sing throughout the week.	8:30am-12 pm	Depot Art Center-Outside	Tony Urbick
July 24-27 (4 day camp)	Painting Without a Paintbrush	\$130.00	10-13	Do you love to paint? Are you creative? Push your boundaries of what you can do with paint. Using translucent watercolor paint and masking fluid, you can build layers of paint to achieve a depth not found with a paintbrush. Free your creativity, anything is possible through this method. Also explore a variety of other pouring techniques.	1pm-4:30pm	Depot Art Center-Inside	Madaleine Burrough
July 24-27 (4 day camp)	Mad Science	\$130.00	8-12	Explore the wonder of where art meets science. From chemical reactions, to observing and experimenting with various optical spectra and their effects on your works, to the density and viscosity of liquids, to harnessing creativity using simple machines, upper young artist uses science every day in their creations. Learn about the science behind the art as you explore how we see the world as you create a variety of different and unique pieces. Prepare to get messy, scienartists!	1pm-4:30pm	Depot Art Center-Outside	Tony Urbick
July 24-27 (4 day camp)	Culture Camp: Young Utes and Pioneers	\$130.00	8-11	Travel through time with the Tread of Pioneers Museum where you experience the history of Routt County through interactive programs and creativity. While learning about the lifeways and culture of the local American Indian tribe, the Utes, and the experiences of local pioneers who founded our county, you will learn and create with a wide variety of hands-on activities include weaving, beading, pottery, watercolor instruction, leather working and more. While having fun, learn more about the fascinating history of Routt County, the life of the people who have made their homes here, and gain an appreciation of their community.	1pm-4:30pm	OFF SITE- Tread of Pioneers	Jonelle Castleberry
July 31-Aug 4	The Art of The Earth	\$165.00	6-10	A mindful journey to relate with ourselves in the natural world. Listening to ourselves, listening to nature. Starting with a circle for soft contemplation, a guided meditation, light stretching & dancing followed by story and a project related to the daily/weekly theme of the Earth's elemental flows & movements. Centering on what is most important through the interconnection of clean water, air, wind, trees, plants, animals and exploring our place within that.	8:30am-12 pm	Depot Art Center-Inside	Jillian Thomlinson

Dates	Camp	Price	Ages	Description	Session	Studio Location	Teacher
July 31-Aug 4	Be Dazzled Again	\$165.00	8-14	From brainstorming ideas to displaying final products, create your very own line of wearable art. From new parts and pieces to "upcycling" broken or discarded bits to repurpose and improve, we will work in teams to create unique looks featuring fun themes.	8:30am-12 pm	Depot Art Center-Outside	Heidi Hamric
July 31-Aug 4	Make it Move	\$165.00	10-13	Dive into the world of 3D forms as you create movement and the expression of movement within your sculptures. Practice basic wire and metal sculpture safety and techniques, as you incorporate various found objects or upcycled items into your unique static and/or moving sculptures.	1pm-4:30pm	Depot Art Center-Inside	Tony Urbick
July 31-Aug 4	Mural Madness	\$165.00	8-13	Think big and paint bigger. Bring your unique style to the depot this summer and get ready to get messy. Each student will create a LARGE piece of art that will merge together for a collaborative finished mural that will be displayed publicly. Artists will be able to take their piece home after the public display comes down.	1pm-4:30pm	Depot Art Center-Outside	Madaleine Burrough
