

Dear Artists & Educators,

Steamboat Creates is looking for educators and artists to design and teach half/ full day week long **Summer Creative Art Camps**. This is a great way to earn extra income while sharing your passion with young artists. Use the [GOOGLE FORM](#) link or fill out the PDF on the next page to **submit your interest and proposal by February 12, 2024**. Email programs@steamboatcreates.org with any questions.

Have Multiple ideas for camps?

Each camp requires its own proposal form, even if the teacher is the same. You can submit as many proposals as you like. Teachers frequently teach multiple weeks of camp.

Camp dates:

June 3-7	June 24-28	July 22-26
June 10-14	July 1-3 (full day only)*	July 29-Aug 2
June 17-21	July 15-19	Aug 5-9

Camp times:

Students meet from 8:30am-12:00pm for the morning classes and 1:00pm-4:30pm for afternoon camps. We ask that teachers commit to arriving at least 30 min prior to each day for preparation/setup and stay until the cleanup checklist is complete.

General Info:

All classes have a 3-year age range with a capacity of 20 students. You will have an assistant all week. Curriculum should be geared to accommodate your selected age range. We host a diversity of offerings focusing in the following areas: visual arts, writing, film and media, performing arts, heritage and culture, and design. Be creative and use your expertise.

Pay:

Teachers will receive 50% of the class fee for each student which is up to \$1600.00 for a fully enrolled 20 student class. Classes must have at least 6 enrolled students to run.

Steamboat Creates takes care of:

- Enhancing marketing
- Registrations and liability forms
- Providing an art assistant to help with your class and sign-in/sign-out procedures
- Helping you flesh out your project ideas
- Providing the Create Space art pantry for supply needs
- Providing a small budget for some material costs

I am more than happy to help brainstorm ideas. I can also help fine tune ideas if you are wanting to teach but are unsure of how to approach these classes.

I look forward to supporting you!
