

Steamboat Creates celebrates the artists who make our community shine—and we want your art to tell that story. We're inviting local artists to design a sticker that represents the many forms of art we support—Design, Film & Media, Heritage, Literary & Publishing, Performing Arts, and Visual Arts—and embodies the spirit of Steamboat Creates.

The winning design will become our official sticker and will be shared throughout the community. The artist will receive **\$100** and a **one-year Artist Membership** (valued at \$100).
